

Christmas Eve Prayer

Loving Father,

On this holy night, we gather in awe and gratitude, remembering the wondrous gift of Your Son, Jesus Christ, born to bring light to a world in darkness. As we prepare to celebrate His birth, we open our hearts to the joy and peace that only He can bring.

Thank You for the gift of Emmanuel—God with us. May His presence fill our homes and our lives, reminding us of Your infinite love and mercy.

Lord Jesus,

On this night, You came to us in humility, born in a manger, to save us and show us the way to eternal life. Help us to imitate Your love and simplicity, living each day with a heart open to Your will. May Your light shine through us, bringing hope to those who are weary and comfort to those in need.

Amen
