

Prayer for Mary's Protective Embrace

Holy Mary Mother of God

Our gentle protector and source of unwavering strength, we turn to you with hearts open and trusting.

Shelter us beneath the mantle of your love, and cover us in your tender care.

In times of darkness, be our guiding light; in times of fear, calm our hearts with your gentle peace.

Intercede for us, Blessed Mother, that we may find refuge in your powerful protection.

Guard us from harm, seen and unseen, and protect our families, our loved ones, and all who seek the comfort of your holy embrace.

Help us to trust as you trusted, to surrender our worries as you did, and to find courage in the trials we face.

Lead us always closer to your Son, Jesus, our Savior, who is our hope and salvation.

Mary, our Mother, protect us now and always.

Amen.
