

# JOURNEY WITH THE MESSIAH

## To Philadelphia

### Revelation 3:10-13

“Because you have kept my message of endurance, I will keep you safe in the time of trial that is going to come to the whole world to test the inhabitants of the earth. I am coming quickly. Hold fast to what you have, so that no one may take your crown.

The victor I will make into a pillar in the temple of my God, and he will never leave it again. On him I will inscribe the name of my God and the name of the city of my God, the new Jerusalem, which comes down out of heaven from my God, as well as my new name.

Whoever has ears ought to hear what the Spirit says to the churches.”
