

Prayer for the Feast of the Epiphany

Lord Jesus Christ,
Light of the world and Savior of all nations,
You revealed Yourself to the Magi
and invited every people and culture
to share in the joy of Your salvation.
Guide us by Your holy light.

Help us to seek You with sincere hearts,
to recognize Your presence in Scripture and Sacrament,
and to worship You with humility and faith.
Like the Magi, teach us to offer You our finest gifts:
our time, our talents, and our lives.

Remove anything that keeps us from following You fully,
and give us courage to walk the path You set before us.
Transform us through our encounter with You,
so that we may return to our daily lives changed,
bearing Your light to our families, our workplaces,
and all those we meet.

May our words and actions proclaim Your truth,
and may our lives lead others closer to You,
who live and reign forever and ever.

Amen.
