

Prayer to Saint Valentine

O glorious Saint Valentine,
faithful priest and martyr of Christ,
you who bore witness to true love by
laying down your life for the Gospel,
listen kindly to our prayers.

Intercede for all who seek to love as Christ loves,
with patience, fidelity, sacrifice, and joy.
Strengthen engaged and married couples,
guide those discerning their vocation,
and heal hearts wounded by loneliness or loss.
Teach us that love is not merely emotion,
but a gift of self rooted in truth and faithfulness.

Help us to honor God in our relationships
and to reflect His charity in all that we do.

Through your intercession,
may our hearts be purified,
our commitments strengthened,
and our lives shaped by the love of Christ,
who lives and reigns forever and ever. Amen.

Saint Valentine, pray for us.
