

Prayer to Our Lady of Fatima

O Blessed Virgin Mary,
Our Lady of Fatima, loving Mother of mercy
and Queen of the Rosary,
you appeared to call the world to
prayer, repentance, and peace.

Turn our hearts toward your Son,
Jesus Christ, and lead us along the path
of faith, hope, and love.

Through your maternal intercession,
help us to embrace daily prayer,
to offer our sacrifices with humility,
and to seek conversion of heart in all things.
Teach us to trust in the mercy of God
and to live in obedience to His holy will.

Our Lady of Fatima,
pray for the Church throughout the world,
for peace among nations,
and for the salvation of souls.

Protect our families,
strengthen us in times of trial,
and keep us faithful to Christ until the end.

O gentle Mother,
place us under the care of your Immaculate Heart,
that we may belong entirely to Jesus
and one day rejoice with you in heaven.

Amen.
