

A Prayer for the Solemnity of Saints Peter and Paul

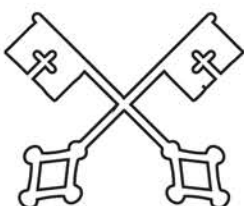

Heavenly Father, on this glorious Solemnity of Saints Peter and Paul, we come before You with grateful hearts, praising You for the witness of these two great apostles who faithfully served Your Son, Jesus Christ. Through their courage, sacrifice, and unwavering faith, You established and strengthened Your Church, guiding countless souls toward the light of the Gospel.

Lord, we thank You for Saint Peter, the rock upon whom Christ built His Church. Grant us the grace to remain steadfast in our faith, trusting in Your mercy even when we stumble. May Peter's humility and repentance inspire us to seek Your forgiveness and grow ever closer to You.

We thank You also for Saint Paul, the tireless missionary whose zeal carried the Good News to the nations. Fill our hearts with the same passion for evangelization, that we may boldly proclaim Christ in our words and actions. Help us to be faithful disciples who share Your love with all whom we encounter.

Through the intercession of Saints Peter and Paul, strengthen our bishops, priests, deacons, and all who serve Your Church. Unite Christians throughout the world in truth, charity, and faithfulness to the Gospel. Protect Your Church from division and lead us always in the path of holiness.

Lord Jesus, as Peter and Paul gave their lives in witness to Your name, grant us the courage to remain faithful in times of trial and the wisdom to follow Your will each day. May their example guide us toward eternal life in Your heavenly kingdom.

We ask this through Christ our Lord.
Amen.
